CONTRACT

SP-1925

The services and equipment being procured by this Contract No. SP-1925
AMENDMENT NO. 5 are in furtherance of the IDEALIST
Program(s), the nature of which cannot be publicly disclosed for security rea-
sons. The Contracting Officer therefore determines that this procurement must
be accomplished by negotiations pursuant to the authority of Section 3(a) of
PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on
15 October 1961.

Certification of funds for this contract will be handled under the pro-
cedure approved by the Director of Central Intelligence on 15 December 1956
which, in effect, results in all covert expenses involving issuance of Treasury
Checks being accumulated in a separate account within the Finance Division. The
amounts in this account will be periodically scheduled for certification of the
vouchers by the Director. This procedure eliminates the necessity for a sepa-
rate certification of authority under Section 8(b) of Public Law 110, 81st Con-
gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the
terms and provisions generally of this contract/amendment, and a resume of
major issues negotiated: 25X1D
